“MAINE ELKS – STRONGER, TOGETHER.”

PEARL HARBOR RESTORATION FUND

PGER Mike Luhr has challenged every Elk to donate \$1.00 per member to this fund. The ultimate goal is to raise \$783,000.00. The Pearl Harbor National Memorial in Hawaii is in need of upgrades to help honor the service and dedication of Americans whose profound contribution to our nation will never be forgotten, so that generations to come will know and appreciate the sacrifices that were made.

November is Veterans Remembrance Month, what better way to kick off this fundraiser.

December 7th is Pearl Harbor Day. This would be a great day to do a fundraiser to help your lodge meet their goal.

The deadline to send your funds into the State Association will be State Convention on May 2nd. If you have any funds that are collected after that you can send them in direct to the ENF. Send money to your lodge or Felecia Gaulin, Treasurer, 475 China Rd. Albion, ME. 04910-6407.

This campaign is called PENNIES FOR PEARL. Save your change in a jar and when it is full send your money in. Checks please.

Sincerely and Fraternaly,
